Choose one or more of these below for an additional charge.

<p>Climbing Wall A 7.3m mobile climbing wall with 4 faces and auto belay system. Can be modified to teach traditional belaying techniques using climbing ropes. Promoting teamwork, trust and looking after each other's safety and wellbeing.</p>	<p>Birds and Beyond Make some new feathered friends with Birds and Beyond. Get close and personal with birds of prey, including owls and hawks. Learn all about them, watch them fly and get your students holding and handling the beautiful creatures.</p>	<p>Combat Archery A mix of archery and dodge ball!! Wearing face masks and using foam-tipped arrows, teams work together to literally shoot at their opponents to knock them out of the game. High energy and huge amounts of fun!</p>
<p>Mountain Biking A skills course set up on the campsites and in the woodland, using a fleet of mountain bikes of various sizes. Height restrictions may apply.</p>	<p>Axe and Knife Throwing A technical and rewarding activity. Learn how to handle safely and use throwing axes and throwing knives. Developing hand eye coordination, concentration and accuracy. 8 years and over</p>	<p>It's a Knock Out A great session to end the day. All the teams compete against each other in fun challenges to win points.</p>
