~ from the Jarman Centre Management Team*

1988-2018

Join in the celebrations for the Jarman Centre's 30th birthday

The challenge activities are based around '30' and 'pearls' and are designed so you can complete them in unit meetings or on a visit to the Jarman Centre.

Complete one challenge from each of the four sections, plus at least one additional challenge of your choice.

You're welcome to adapt challenges to suit the age and abilities of the girls and young women in your unit.

We'd love to receive photos of your unit taking part in the challenge that we can share on our website and social media (use the email address below).

Do make sure you have photo permissions for everyone in any photos that you send in.
